1. Three twin-engine aircraft were parked in front of each of the hangars of the Finsterwalde (A 52/A 15) airfield between 8:45 a.m. and 1 p.m. Fifteen more twin-engine aircraft were observed south-east of the hangars (gray paint, engine cowling blue, part of the planes with red propeller hubs). It was not possible to approach the airfield quarters.

Comments:

- a. The previously known occupation of the field by twin-engine aircraft was confirmed. According to available information, two regiments of the 301st Bmr Div are assumed to be stationed in Finsterwalde. [redacted] 25X1C
